The Women's Housing and Economic Development Corporation (WHEDco) raised \$180,000 at the organization's recent "Step Up to the Plate Benefit & Ballgame". Over 250 guests turned out for the June 30th event at Yankee Stadium.

"We were so pleased to be joined by members of the Bronx community to celebrate a transformative year for WHEDco – including the opening of Intervale Green, now the country's largest green affordable housing development, and the citywide launch of WHEDco's childcare improvement training project" said Nancy Biberman, WHEDco President.
