

COVID-19 VACCINE EDUCATION WORKSHOP (ZOOM)

Wednesday, March 10th, 2021
7:00 pm

WHEDco is partnering with Susana Morales, MD to host a virtual educational workshop for families in our After School programs at PS/IS 218, the Highbridge Green School, and SBECA. Regardless of what you may already know or have heard about the vaccines, we encourage you to attend the workshop where you will learn more from Dr. Morales, who has extensive knowledge to share with us. There will be an opportunity to ask questions during the zoom.

REGISTER HERE

**WHEDco families who register and attend will have
the chance to win a raffle prize!**

Dr. Susana Morales was born and raised in the Bronx. She attended NYC public schools and then went on to Harvard University for her undergraduate degree and Columbia University for medical school. She is currently a primary care physician at Weill Cornell/New York Presbyterian and an Associate Professor of Clinical Medicine at Weill Cornell Medical College. She also leads Weill Cornell's Diversity Center of Excellence.
