VP's Nook

"A childcare provider is **always educating**- actively or passively. We support our providers to do so pro-actively as professionals "

Our highly diverse educators work in both the formal and informal childcare arenas. Highly Skilled Licensed Providers in the Early Learn, Child and Adult Care Food Program Providers as well as Legally Exempt Child care Providers

100%

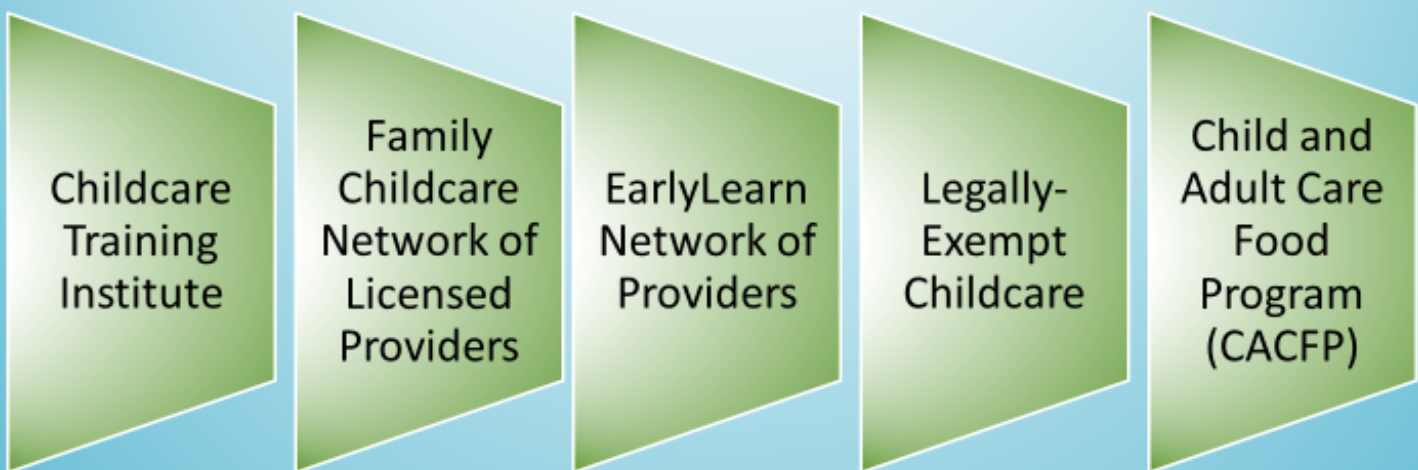

Childcare
Providers ARE
Educators

Business Development at WHEDco: our Business Development Team works to create, develop and enhance economic opportunity for our Professionals. We do this through professional development sessions, workshops and one on one coaching. Contact businessdevelopment@whedco.org

WHEDco's Home-based Childcare Program (HBCC)

Equipping and supporting childcare providers in starting and growing high quality childcare businesses that thrive, while improving early childhood health and education outcomes.

Services Offered: Technical Assistance, Monitoring, Coaching, Business Development, Parent Referrals

10,000 thriving children depend on our childcare professionals each year.

WHEDco's mission is to give the South Bronx access to all the resources that create thriving neighborhoods: from high-quality early education and after-school programs, to fresh, healthy food, cultural programming, and economic opportunity
