

Let's Build Healthier Communities Together!

As we move forward into the year, WHEDco and our partners are excited to share important updates and opportunities that will help us make a positive difference in our community. Let's continue working together to create healthier, more vibrant neighborhoods!

Bronx Music Hall: A Cultural Gem in Our Community

The Bronx Music Hall (BMH), developed by **WHDco**, is a vibrant cultural hub featuring a 250-person theater, exhibit hall, rehearsal rooms, and an outdoor amphitheater. It offers live performances, arts events, and low-cost music classes for all ages.

BMH's affordable, small-group **music classes** include **Latin percussion, jazz, and music theory**, making high-quality arts education accessible to the community. Whether you want to **learn an instrument**, enjoy a performance, or connect with local artists, BMH has something for you! Registration is now open, for more info, email emartinez@whedco.org.

BMH is home to the Bronx Music Heritage Center (**BMHC**), founded in 2010 to preserve Bronx music, support local artists, and provide accessible cultural programs to the community.

The Bronx Music Hall (438 East 163rd Street, Bronx, NY) is available for your event! To rent the theater, the multi-purpose room, the lobby or the outdoor plaza, contact **Seth Rothschild**, srothschild@whedco.org.
